

# Corona Pandemic-2020

50, Arpit Nagar, Gandhi Path, Vaishali Nagar, Jaipur (Raj.) - 302021

The year 2020 brought the crisis of an epidemic on the whole world due to which millions of people all over the world got infected and lost millions of lives. The economy of all countries collapsed. Crores of jobs were added, factories, malls, shops remained closed for months. Labors left for his villages thousands of kilometers away on foot. In the midst of all this chaos, Help India Online Foundation went ahead and understood the social responsibilities and in this time of crisis, went ahead and helped the people in every possible way.

Help India appealed through the portal to help the people suffering during the Corona crisis and motivated people to help. As a result of this appeal, a large number of people came forward and provided goods and financial assistance. In this task, women came forward and played a big responsibility and sent millions of masks from home and also made food for the needy people. Help India members distributed door to door masks and food. Along with this, sanitation was done in public places, police posts. The main sanitization machine was also distributed by the institute.
