Annual Report -2020

50, Arpit Nagar, Gandhi Path, Vaishali Nagar, Jaipur (Raj.) - 302021

One of the pivotal schemes of Help India Online Foundation is Helpindialearning.in which aims to provide assistance for education to the not so privileged children of our society. Apart from India the organization has also helped the students that are living abroad. HIO is rigorously working to make India “Vishwa Guru”.

Helpindialearning.in is E-learning portal. All the digital courses and books are available for all generations of the community. The foundation has launched more than 10,000 digital and professional free online courses, more than 2 lakh E-Books, and 1st to 12th all medium Courses on learning App meeting the global standard of education. And Preventive Health social program is working in the direction of spreading awareness about preventive health measures. Mentioned below is a brief report of the number of courses on the website from the day of its inception till now.

Number of courses	304
Number of Lessons videos	1042
Number of E-Books	More than 2 lakh

Recently we are awarded for Global Teaching Excellence Award 2020. This award is dedicated to excellence in the education sector.

Top Courses-

- Artificial Intelligence
- Speaking English
