

EMPLOYMENT WING

Annual Report - 2020

50, Arpit Nagar, Gandhi Path, Vaishali Nagar, Jaipur (Raj.) - 302021

Helpindiarojgar is a global online employment solution for people seeking jobs and employers. We've been doing this for the community, and have expanded from our roots as a "job board" to a global provider of a full array of job seeking, career management, recruitment, and talent management products and services.

The main motto of this portal is to create a bridge between community youth and community employers. We have started Up-skilling of community youth as per corporate requirement. At Help India Rojgar we work to bring the community and opportunity to the job market, to enhance lives, businesses, and communities around India.

Till now in Help India Rojgar has provided opportunities to job seekers to more than 15 cities like

Ahmedabad, Bangalore, Chennai, Delhi Hyderabad, Indore, Jaipur, Kanpur, Kolkata, Lucknow, Mumbai, and so on.

In the future, We thrive and deliver the best-recruiting platforms for connecting jobs and people. We strive every day to help our customers hire and help people find jobs.

Help India Rojgar has a “**Self Employment**” Scheme in which the Help India Foundation empowering and enriching the lives of every individual member of the foundation by providing self-employment. We are providing a variety of opportunities on this platform for a member from various industries and companies where they will help us in empowering our society.

Our main objective of providing the platform is-

- For self-employment, creating opportunities in Urban and Rural areas by establishing new services, businesses, and Micro industries.
- To provide employment opportunities near their residencies, by opening a home gallery and depot.
- To prevent migration from hilly and rural areas in search of jobs.

Some points about Opportunity Provider-

Opportunity provider is the person or organization providing various options for generating Self Employment like-

- Providing Raw Material and buy back that item
- Expansion of business on a franchise model
- Offers work as per the skill of the individual
- Giving techniques and complete guidelines to do business

Some points about Opportunity seeker-

An opportunity seeker is a person who wants to do something of his own where he is the decision taker. He is the person who grabs the opportunity and always sees a chance and jumps into it.

Another scheme of Help India Rojgaar is “**Upskill Development**”. Upskill courses provide high-quality soft skills training to equip the candidates to excel in their profession. These trainings are based on the latest industry practice and conducted by experts from that specific field. The Upskill development acts as a bridge between the Company's needs and job seeker expectations. Candidates who undergo training would also be subject to assessment and certification which would enable trainees to get placements in multinational companies and Government Jobs.

We have so many Diploma Courses like-

- Diploma in CT Scan Technology
- Diploma in basic life support
- Diploma in Emergency Care Technician
- Diploma in Ultra Sonography
