## Annual Report 2020

50, Arpit Nagar, Gandhi Path, Vaishali Nagar, Jaipur (Raj.) - 302021

The Help India Online Foundation was formed with the objective that one can start their own business with great ease. HIO provides the opportunity to grow your small business on a large scale. Bearing in mind the objective, HIO started “**Help India Finance**” to provide financial assistance to those who want to become an entrepreneur and want to start their business. We help in providing banking loans, monetary assistance with the help of banks so that people can start their business and can live their lives on their own terms.

With a huge part of our population-based in villages and rural areas, where the traditional banking assistance is out of reach. Keeping this in mind and Leading the “Atma Nirbhar Bharat” mission we are creating opportunities for the people who are residing in Urban and Rural areas by providing loan facilities. With the loan, they can start their business and can become Micro-entrepreneurs.

### With this facility-

- The community has better access to capital and funds.
- Strengthening women’s participation in activities of generating livelihood and decision making at the household and community level.
- Increases the mode of earning a livelihood for poor people and creating an opportunity for self-employment.
- Gives empowerment to needy people by opening a home gallery.
